E²2P²

Empowering Employees to Peak Potential
The new CMI recognised programme from BPI

www.bpigroup.co.uk

Programme Workshops

- Effective Team Working
- Time Management
- Project Management
- Self Awareness
- 5S
- Assert Yourself
- Perfect Presentations
- Lean
- Poka Yoke
- Cultural Awareness
- Conflict In The Workplace
- Equality & Diversity

How It Works

Employers can choose a minimum of 5 or more of the listed workshops, that offer the best mix, for their employees to attend. The workshops are delivered virtually. Candidates who complete the programme will gain a CMI recognised certificate along with 1 years associate membership of the CMI with access to accompanying benefits.

At the end of the programme candidates will be asked to do a short reflective statement based on how they feel they have grown, what they have learned, and present this to their team leader/manager.

Completing the programme shows a real personal motivation and commitment to learning and developing.

Programme Target

- Designed to focus on your personal development. Available to all new starters who are in their first 3 years within an organisation
- Emerging talent in the organisation, joined the organisation with no formal qualifications or past training opportunities

Our Company

Since 1990 BPI has specialised in helping businesses across Wales and the South West improve the efficiency, effectiveness and productivity of their most valuable and precious asset. - their workforce!

BPI = empowering potential

Programme Target

- Those already engaged in some workplace learning and are expanding their wider business knowledge.
- Those who prefer 'shorter' or 'condensed' learning followed by a period

Workshops are run on a regular rotation, usually spanning 3 months, but can be run on demand if required.
